

The diagram shows a business card template with several key areas: a central 'SAFE ZONE' (green dashed line), a 'TRIM' line (red dashed line), and a 'BLEED' area (black solid line). A grey shaded area at the bottom contains a warning. The 'CoriGraphics, inc.' logo is positioned in the upper right. A table of specifications is located in the center right.

**SAFE ZONE**

**DO NOT** place important text or images beyond the dotted area to ensure they are not trimmed off. **Please make your margin 1/4".**

**TRIM**

This is the actual cut of the final design. You must have a bleed, if you want your artwork to reach the edge of your print.

**BLEED**

Extend your artwork to the edge of this template if you want your design to extend to the edge of your final prints. **We require an 1/8" or 1/4" bleed.**
